No confusion. No guesswork. Just a clear path to homeownership.

The Home Buying Process: Step-by-Step

1. Initial Consultation

We'll discuss your goals, needs, preferred locations, budget, and timeline. This helps me tailor the search to exactly what you're looking for.

2. Pre-Approval & Budget Strategy

You'll connect with a trusted lender to get pre-approved. This gives you a clear budget and strengthens your position when submitting offers.

3. Home Search

I'll curate personalized listings and schedule tours. As we view homes, I'll help you analyze value, neighborhood insights, and long-term potential.

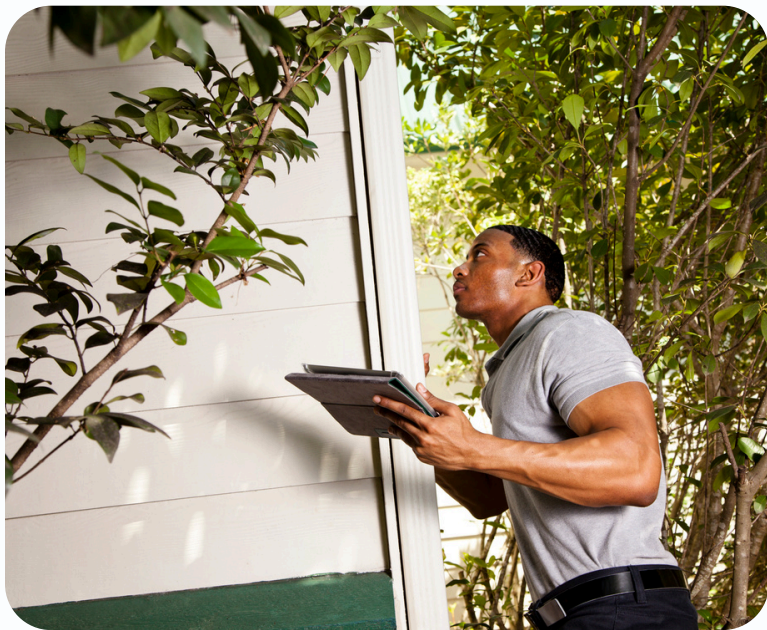

4. Submitting an Offer

Once you've found the right home, I'll guide you in preparing a competitive offer and negotiating terms that protect your interests.

5. Contract Acceptance

When the seller accepts your offer, the home goes under contract. I'll walk you through every deadline, contingency, and required document.

6. **Earnest Money Deposit (EMD)**

You'll submit your EMD within the required timeframe. I'll provide instructions and confirm receipt for your peace of mind.

7. **Home Inspections**

We'll schedule and coordinate professional inspections. I'll help you understand the findings and negotiate repairs if needed.

8. **Appraisal**

Your lender orders an appraisal to confirm the home's value. I'll help you navigate any valuation questions or adjustments.

9. **Underwriting & Loan Finalization**

Your lender reviews documents and finalizes your mortgage. I'll stay in communication with all parties to ensure a smooth process.

10. **Final Walk-Through**

Before closing, we'll walk through the property to confirm everything is in the expected condition.

11. **Closing Day**

You'll sign your final documents, receive your keys, and officially become a homeowner!
